

Hi, I'm Lucy!

At the weekend, I do lot's of different things: On Saturday morning I always go to soccer training at nine o'clock, I love playing soccer. One thing I never do at the weekend is visit my grandparents, I visit them on Wednesdays. On Saturday afternoon I sometimes play with my cousin Sofia, she loves watching movies and dancing but I hardly ever dance. I usually go to the church on Sundays.

Now is your Turn! Write about your weekend, use the adverbs of frequency
