Reading: Love in Seattle

Read the text. Choose the correct alternative to complete the sentences.

I saw a really good romantic film on DVD yesterday. It was called 'Love in Seattle'. It was about a man called Sam, an architect, whose wife died. He moved from Chicago to Seattle with his son, Johna, because he was sad in Chicago. In Seattle, Johna phoned a radio station and said his dad needed a new wife to make him happy. Lots of women wrote letters to Sam. One of the women was Annie. Johna read Annie's letter and he asked her to meet Sam in New York at the top of the Empire State Building. Annie and Sam met and fell in love and there was a happy ending.
