# Unit 3 Keep on travelling

- Complete the text about Tokyo.

With nearly 40 million people living there, Tokyo is one of the most c_____ cities in the world. And it has more cars than anywhere else in Japan, almost 70 million of them, so it's extremely p_____ as well. But Tokyo is also one of the top places for foreign tourist to visit. It's very safe and, although it's extremely b_____, many people love the fact that it's really l_____ and that there's plenty to see and do. Some visitors may think that m_____ buildings like the Sugamo-Shinkin bank, built in 2011, are u_____ but others find them quite beautiful and love the fact that they use some of the best 21st century technology.
