I get lost all the time! This app helps me a lot. I just type in the address and follow the directions.

This is a really useful app for me. My hobby is skiing. It's dangerous to ski in snow storms. This app gives me the information I need to stay safe.

My grandma is Polish. I don't speak Polish very well. This app helps me when I don't know the Polish word for something.

I love it! I use it all the time. It's a great way to share music with your friends.

I use it a lot at the weekends when my team is playing. You also get lots of extra information about the players and matches.

I use it every day! I love chatting to my friends and sending texts.

I like to play when I'm waiting for the bus. It's cool when you can play against people from other countries.
