Core Netiquette Rules

1. Remember the human

Do unto others as you would have others do unto you.

2. NO YELLING, PLEASE

There's a time and a place for everything—

3. Attempt to find your own answer

If you're confused or stuck on an assignment, before you ask, take the time to try to figure it out on your own or investigate in the Internet.

4. Stop ... grammar time!

Always make an effort to use proper punctuation, spelling and grammar.

5. Set a respectful tone

A level of formality is still expected in your communication with your teacher.

6. Submit files the right way

Follow the instructions for file assignment submissions, like naming conventions that help them keep things organized or acceptable file formats.

7. Read first

Take some time to read through each step to do your tasks.

8. Be kind and professional

Make a point to be kind and respectful in your comments—even if you disagree with someone.
