(Zoe and her friends are reading the menu in the Café.)

Waitress: May I take your order?

Cathy: Yes. I'd like the ham and cheese sandwich.

Zoe: I'll have the cheeseburger, please.

Alex: May I have the steak with fries? It looks delicious.

Waitress: How would you like your steak?

Alex: Medium, please. How about you, Jamie?

Jamie: I'll have a hamburger and two pumpkin pies with ice cream.

The pumpkin pies here taste good and smell great!

Alex: Really? I want one, too.

Zoe: You two have a better appetite than I do.
