Dear Andrew,

Thank you for your letter. It was very interesting to find out about England. I have visited your country once when I was 5 years old.

I am from Jamaica. Jamaica is an island in the Caribbean. Kingston is the capital city of Jamaica. This is where I live. It is very big and always busy. There are many shops, restaurants, and business places.

Jamaica is a very exciting place to live. One thing I love about Jamaica is the delicious food. Jamaica is famous for many things such as our foods and beaches. Some of these foods are jerked chicken, ackee and saltfish, breadfruit, festivals, and patties. My favourite food is ackee and saltfish with fried breadfruit. Do you have this in England? If not, if you ever come to Jamaica, you should try it.

I will write you another letter to tell you more about Jamaica and hope you do the same.

Your friend,

Sally.
