My sisters and I are \_\_\_\_\_ a short trip to the beach next weekend. Our train \_\_\_\_\_ at 8am on Saturday and we \_\_\_\_\_ at the station at approximately 9:15am. We \_\_\_\_\_ stay in a small hotel. We are \_\_\_\_\_ our swimsuits, towels and a beach ball to \_\_\_\_\_ volleyball at the beach. According to the weather forecast, it \_\_\_\_\_ sunny and hot so we can't forget our sunscreen. Or else, we will get sunburnt!

On Saturday night we \_\_\_\_\_ dinner at a pizza restaurant that \_\_\_\_\_ recommended to us by some friends. I think the pizza will be delicious. Even more delicious than the one my mum makes.

I hope we \_\_\_\_\_ lots of fun together and that we can enjoy our weekend to the fullest!

Tomorrow evening I \_\_\_\_\_ for my week-long trip with my family. I \_\_\_\_\_ with my mum, my sister, my three cousins and my uncle. Unfortunately, my dog can't \_\_\_\_\_ with us so he is \_\_\_\_\_ with my neighbour, Lisa, who is going to take care of him.

We are going on a short vacation to the mountain. We have already \_\_\_\_\_ a lot of hikes and walks through nature so I \_\_\_\_\_ my most comfortable shoes with me.

We are going to stay in a large cabin with one bathroom for 7 days. I hope we \_\_\_\_\_ too much over who showers first.

The weather will be nice, but cold, so we will need to \_\_\_\_\_ warm with our clothes and drink some hot tea now and then.

This is going to be so exciting, I can feel it already!
