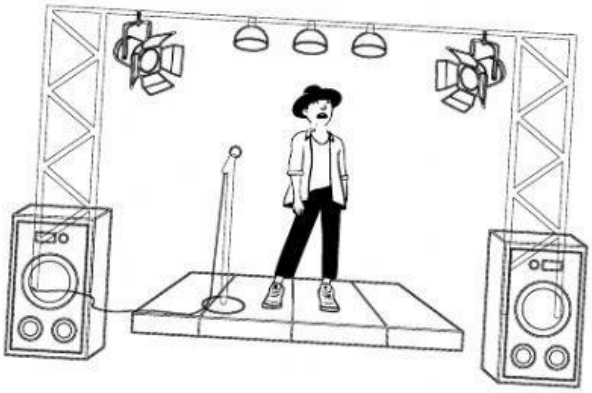
WHAT GOES AROUND... COMES AROUND

Hey, girl, is he everything you **wanted** in a man?
You know I **gave** you the world (world)
You had me in the palm of your hand
So why your love **went** away

I just can't **seem** to understand
Thought it was me and you, babe (babe)
Me and you until the end
But I guess I **was** wrong (uh)



Don't want to **talk** about it (uh)
I'm just so sick about it
Can't believe it's ending this way

Just so **confused** about it (uh)
Feeling the blues about it (yeah)
I just can't do without ya
But tell me, is this fair?

Is this the way it's really going down?
Is this how we **say** goodbye?
Should have known better when you came around
That you were gonna **make** me cry
It's breaking my heart to watch you run around
'Cause I know that you're living a lie
But that's okay, baby, 'cause in time you will find

What goes around, goes around, goes around
Comes all the way back around
....

Now girl, I remember everything that you **claimed**
You said that you were moving on now (on now)
And maybe I should do the same (maybe I should do the same)
The funny thing about that is

I was ready to give you my name
Thought it was me and you, baby (baby)
And now it's all just a shame
And I guess I was wrong, yeah
.....

Let me paint this picture for you, baby (yo, yo) (uh)

You **spend** your nights alone and he never comes home

LIVEWORKSHEETS

And every time you call him all you get is a busy tone
I heard you found out
That he's doing to you what you did to me
Ain't that the way it goes

When you cheated, girl
My heart **bleeded** , girl
So it goes without saying that you left me feeling hurt
Just a classic case scenario
Tale as old as time girl, you got what you deserved

And now you want somebody to cure the lonely nights
You **wish** you had somebody that could come and make it right

But girl, I ain't somebody with a lot of sympathy
See, see (uh)
