

## UMBRELLA

### Ember Island

You have my heart

May be in magazines

But \_\_\_\_\_

Baby, 'cause in the dark

You can't see \_\_\_\_\_ cars

And that's when you need me there

### CHORUS

*Because*

*When the Sun shine, we shine together*

*Told you \_\_\_\_\_*

*Said \_\_\_\_\_*

*Took an \_\_\_\_\_, I'ma stick it out  
till the end*

*Now that it's raining more than ever*

*Know that we still have each other*

*You can stand under my umbrella*

*You can stand under my umbrella*

Ella, ella, eh, eh, eh

Under my umbrella (x3)

These \_\_\_\_\_ things

Will never come in between

You're part of my \_\_\_\_\_

Here for infinity

When the war has took its part

When the world has dealt its cards

If the hand is hard

Together \_\_\_\_\_ your heart

### CHORUS

Ella, ella, eey

Under my umbrella (x3)

It's raining

Ooh, baby, it's raining

You can always come here to me

Come here to me

I'll always be your friend

you'll still be my star

we'll mend

I'll be here forever

entity

We'll never be worlds apart

shiny

With you I'll always share
