Friday Review by Scott Kerry

I watched the movie Elizabeth I: The Golden Age last Thursday with a group of friends. We watched it for a history project we're doing at school. It is a drama about Queen Elizabeth I. She was born in 1533 and became Queen of England in 1558. She was a really strong leader. Her ships won battles against Spanish ships in 1588. Before I watched it, I didn't know if I would like it. I don't like many dramas but this was fantastic. The story of the movie was really interesting and so many exciting things happened. It was great! All my friends loved it too. WATERLOO - STORY OF FAMOUS LEADERS

Julie Durand, November 9

Waterloo is a movie about the last battle against Napoleon Bonaparte in Waterloo. Napoleon Bonaparte was a French general and leader. He was born in 1769 and became a general at the age of 24. He won many battles against armies from different European countries and made France become a powerful country. However, he lost the Battle of Waterloo in 1815 to the Duke of Wellington. It was the end of his ruling.

The movie did a great job of showing the great minds of the two generals. They were both very smart and good at leading their soldiers. Waterloo is a fantastic movie.
