V. Read the passage and answer the questions. (1.5pts)

Last October, I went to Vietnam for the first time to visit my penfriend Mai and her family. Mai and I started emailing each other three years ago, thanks to my teacher, Mr. Brown. He set up a link with a Vietnamese school because we were learning about Vietnam in our classes that term. Mr. Brown felt that we would find out more about the country if we had contact with Vietnamese people and he was right.

In our first few weeks of exchanging emails, Mai told me lots of interesting things about Vietnam. Then, she described the city where she was living and what she did at school each week. We really enjoyed learning Vietnamese and when other students at our school heard how much fun we had, they asked to join the class.

When our headteacher, Mrs. Smith realized that Vietnamese became more and more popular in her school, she suggested developing a full exchanging program with the school in Vietnam. That's how I finally got the chance to go to Vietnam and meet Mai.
