

Imagine that you do the activities below.
Decide which ones you do often.
Check "Yes" box if you do it often
and the "No" box if you do not do it often.
Then write when you usually do those activities
on the calendar below.

- Now, try to make plans with your classmate:
1. Choose an activity you want to do with your classmate.
Ask if they are busy at a time when you are free.
 2. If they are not busy, both of you should write the activity on your calendars.
 3. Let your classmate ask you about an activity.
 4. Find a time you are both free and write the plans you make on the calendar.

Are you busy on
Monday at 4pm?

Are you free on
Sunday at 4pm?
