Like a king without a castle
Like a queen without a throne
I'm an early morning lover
And I must be moving on

It was an early morning yesterday
I was up before the dawn
And I really have enjoyed my stay
But I must be moving on

You can laugh at my behaviour
And that'll never bother me
Say the devil is my saviour
But I don't pay no heed

And I will go on shining
Shining like brand new
I'll never look behind me
My troubles will be few

Now I believe in what you say
Is the undisputed truth
But I have to have things my own way
To keep me in my youth

Now some they do and some they don't
And some you just can't tell
And some they will and some they won't
With some it's just as well

In the land and the ocean (Feel no sorrow)
Far away (Feel no shame)
It's the life I've chosen (Come tomorrow)
Every day (Feel no pain)

Like a ship without an anchor
Like a slave without a chain
Just the thought of those sweet ladies
Sends a shiver through my veins

Goodbye stranger it's been nice
Hope you find your paradise
Tried to see your point of view
Hope your dreams will all come true

Sweet devotion (Goodby Mary)
It's not for me (Goodbye Jane)
Just give me motion (Will we ever)
To set me free (Meet again)

Goodbye Mary, goodbye Jane
Will we ever meet again
Feel no sorrow, feel no shame
Come tomorrow, feel no pain

And I will go on shining
Shining like brand new
I'll never look behind me
My troubles will be few

So goodbye Mary (Goodbye, Mary)
So goodbye Jane (Goodbye, Jane)
Will we ever (Will we ever)
Meet again (Meet again)
