

Task information

- In Part 3 you read a text containing eight gaps. At the end of some lines there is a word in capital letters for you to form one appropriate word to fill each gap.
- Part 3 mainly tests your ability to form new words and different parts of speech.
- You may, for example, need to form adverbs by adding *-ly* to adjectives, make nouns plural by adding *-s* or *-es*, change verb/adjective forms by adding *-ed* or *-ing*, or form comparative/superlative forms by adding *-er* or *-est*.
- You may also have to make spelling changes (e.g. *long* to *length*). You must always get the spelling correct to get a point!

Useful language: word formation

- 1** To do Part 3 successfully, you need to know which affixes are often used for different parts of speech. Match the prefixes and suffixes a–d with 1–4. Write an example for each.

- | | |
|---|---|
| a un- in- im- dis- ir- | 1 people who do jobs – bus driver, employee, artist, shop assistant, instructor |
| b -er -ee -ist -ant -or | 2 negative prefixes (mainly used for adjectives but also some verbs and nouns) |
| c -tion -ment -ness -ity
-ance -ence -ship | 3 adjective suffixes |
| d -ful -less -able -ous
-ive -itive -y -ible | 4 noun suffixes |

Tip! Keep a record of words with affixes that you see while you are reading in English.

- 2a** Complete the table, using your dictionary if you need to. Use affixes from Exercise 1 and follow these spelling rules:

- For adjectives ending in *-y*, change the *y* to an *i* (e.g. *easy/easily*).
- With suffixes beginning with a vowel, drop the final *e* (e.g. *prepare/preparation*).
- For some words, you need to make other spelling changes (e.g. *high/height*, *freeze/frozen*, *little/least*).

verb	noun(s)	adjective(s)	adverb(s)
comfort	comfort(s), discomfort(s)	(un)comfortable	(un)comfortably
employ			
hope			
	noise(s), noisiness		
lose			
	science(s), scientist(s)		
relate			
succeed			

Tip! When you learn a word, use a good dictionary to find out which affixes you can add and how these change the meaning. Note these down, with example sentences.
