Two of the world's most famous endangered animals are also famous for their stripes. They are mountain zebras and Siberian tigers. They need big forests to live in, but these forests are smaller nowadays because people cut trees down for wood.

To help protect the tigers in Russia, they made two National Parks. These also protect them from people who want to catch them for their beautiful striped fur.

1. What are the two animals in these texts?

2. Why are famous these endangered animals?
