Aliens

Coldplay

We were just about to lose our home
Diamonds ate the _____
Moving in the dead of night
We took photographs just some just so
History has some to _____
We were moving at the speed of flight

Kids cry
If you want to
That's _____
If you want to
Hold me
Hold me _____
Just an alien

We were hovering without a home
Millions are UFO
Hovering in _____ some scope tonight
Sees the light and says

Fly if you want to
That's alright
But if you want to
Call me
Call this _____

Just an alien
Oh, we just want to get home again

Tell your leader
Sir or ma'am
We come in _____
We mean no harm
Somewhere out there
In the _____
All the E.T.'s are phoning home
Watching my life
On the _____
Crossing your eyes
For a lifetime

Just an alien
Moving target
Target _____
A patch, a corner
Of the _____
Just an alien
Turning toward it
Turning _____
Over Asia
Crossing ages
Just an alien
Oh, we just want to get home again
