

Mathematics - Multiplication as Repeated Addition

Follow the examples and complete the following.

Example 1: 

3 cherries

$$3 \times 1 = 3 \text{ cherries}$$

Example 2:

$$5 + 5 + 5 = 15 \text{ cherries}$$

$$5 \times 3 = 15 \text{ cherries}$$

1.	 ____ + ____ + ____ = ____ cherries	____ x ____ = ____ cherries
2.	 ____ + ____ = ____ cherries	____ x ____ = ____ cherries
3.	 ____ + ____ + ____ + ____ + ____ + ____ = ____ cherries	____ x ____ = ____ cherries
4.	 ____ cherries	____ x ____ = ____ cherries
5.	 ____ + ____ + ____ = ____ cherries	____ x ____ = ____ cherries
6.	 ____ + ____ + ____ + ____ + ____ + ____ + ____ + ____ = ____ cherries	____ x ____ = ____ cherries
7.	 ____ + ____ + ____ + ____ = ____ cherries	____ x ____ = ____ cherries
