Planet Restaurant

Hello. I'm Tim. I'm 9 years old. I like to order food and go to restaurants. Today we are going to Planet Restaurant with my family.

I'd like to eat seafood and some salad and I'd like to drink strawberry juice. My sister is hungry. She'd like some mashed potato and fish and she loves to drink sparkling water.

My mom likes grains. She'd like to eat some beans. She'd like to drink soda. But, my dad likes protein. He'd like to eat some meat and eggs.

Planet Restaurant is delicious! We eat out every Saturday with my family. We have fun together.
