

COMPUTER CAT

Some cats like growling, and some to purr,
and others like napping or licking fur.

But my is different
and she would prefer
to use the computer all day.

She's somewhat surprising, not like other cats.
She blogs about and she about rats.

She online shopping
and video chats,

and searching for games she play.

As long as the Internet's working just fine,
my cat's on my laptop and surfing online.

She likes it so much
that this kitty of mine
will never go of the house.

She learned to code to control the machine
by clicking the keyboard and swiping the screen.

But, does she do it?

From what I have seen,
it's mostly to with the .
