

Unit 1: In the Wild

Lesson 6: Writing 2

1. Read about tigers again. Then make your idea web about tigers

This is a tiger. There are tigers in China and India. There aren't any tigers in Australia. Tigers are orange, black and white. They've got long tails. They can jump and swim. Tigers eat other animals.

Idea web about tigers:

An idea web diagram for tigers. It consists of a central yellow box connected to seven surrounding ovals, numbered 1 to 7. The boxes and ovals contain the following text:

- 1. name of animal connected to an empty oval.
- 2. countries ✓ connected to an empty oval.
- 3. countries ✗ connected to an oval containing Australia.
- 4. colours connected to an oval containing orange followed by two empty spaces.
- 5. body parts connected to an empty oval.
- 6. can connected to an oval containing jump followed by two empty spaces.
- 7. eat connected to an empty oval.

2. Use your notes to an idea web about an animal. Then write about that animals in 6-8 sentences. Submit it to the portfolio.

(Vẽ 1 sơ đồ thông tin về 1 con vật, sau đó viết về con vật đó trong 6-8 câu, chụp ảnh và nộp lên portfolio)
