

This is a red flower.

A flower needs

soil

water

sunlight

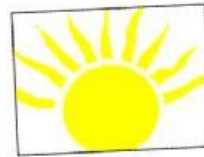

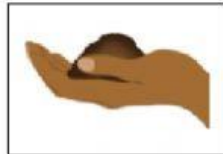

air

Listen and drag & drop!

A flower needs **soil** , **water** , **sunlight** and **air** .

What's this ?

It's a flower.

It's a stem.

They're leaves.

They're roots.

What are these ?

Listen and match!

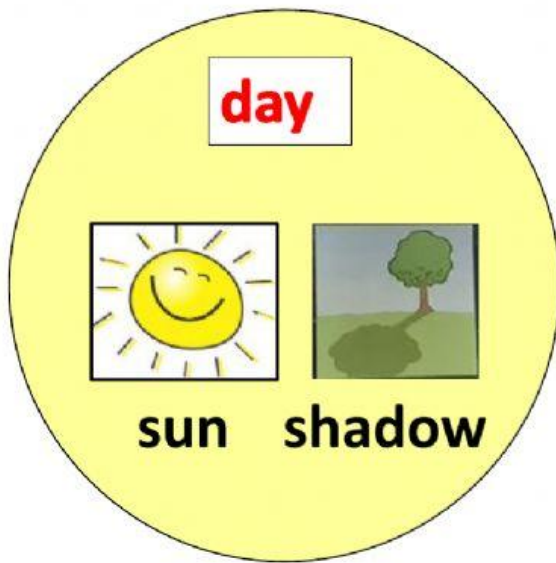

They're
roots.

They're
leaves.

It's a
flower.

It's a
stem.

Listen and drag & drop!

moon

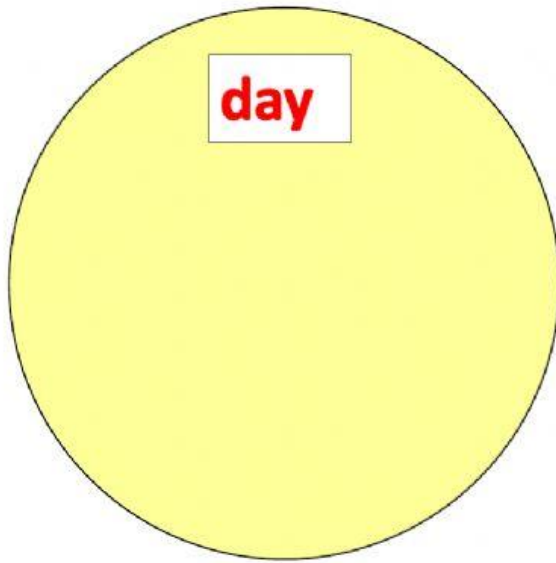

sun

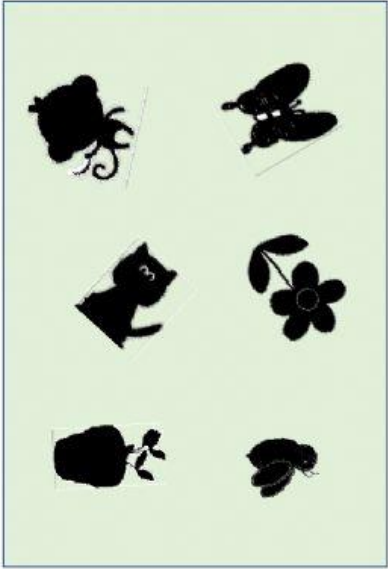

star

shadow

Look and match!

Look and choose!
