Passive or Active

Decide if the sentences are active (A) or passive (P) and if they are in present (PR) or past (PA) tense.

1. Earthquakes damage many buildings every year. ☐ ☐
2. The buildings are checked regularly. ☐ ☐
3. They cleaned up the city after the tsunami. ☐ ☐
4. The houses were destroyed by the tornado. ☐ ☐
5. The rescue team looked for the missing child yesterday. ☐ ☐
6. The child was found in an empty house. ☐ ☐
7. The volcano erupted last year. ☐ ☐
8. The lava and ash covered the city. ☐ ☐

Now change the active sentences into passive and vice versa.
