

Adding 3 numbers-Sumando 3 números

Resuelve las sumas guiándote por el primer ejemplo

$$6 + 4 + 5 = 15$$

Diagram illustrating the addition of 6 and 4 to get 10, then adding 5 to get 15. Red lines connect 6 and 4 to 10, and 10 and 5 to 15.

$$7 + 4 + 6 = \square$$

Diagram illustrating the addition of 7 and 4 to get a box, then adding 6 to get another box. Red lines connect 7 and 4 to the first box, and the first box and 6 to the second box.

$$5 + 8 + 5 = \square$$

Diagram illustrating the addition of 5 and 8 to get a box, then adding 5 to get another box. Red lines connect 5 and 8 to the first box, and the first box and 5 to the second box.
