You too! I'll talk to you later!

All my life to be honest! It never ends! But I'm having fun. What are you into?

Not really, I think I suck at it. How long have you been studying English?

Hi Marina, nice to meet you, I'm Alex. I know the host, I'm his brother.

Hi, I'm Marina. What brings you here?

Would you like to come to a class? We have horse riding lessons where I work, I could arrange it for you.

Well, I am a professional horse rider and that's basically my hobby.

No way! That would be so cool.

Ok, then we'll do that ! Hey, I'm sorry. I really have to go. I promised to help my brother with the food.

Are you? I know him from my English classes. Are you into studying languages?

Wow, that's amazing ! Tell me more about it!

It's really exciting , to be honest, I can't still believe that's my job! Ha-ha

I bet ! It sounds fascinating ! I've always loved horses and wanted to try horse riding.
