

# Bad Vacation

- Number the lines of the following conversation correctly and choose the correct idea for each of them

— **Levi:** Well, on the first day, the weather was very windy! And stormy! We had to stay in our bungalow most of the time.

— **Ashley:** Wow! Very bad luck! What else did you do?

— **Ashley:** Hey Levi! Where did you go on your holiday?

— **Levi:** Yes! On the way home, my girlfriend, forgot her Iphone Airpods, and left them in the bungalow.

— **Ashley:** Gee, sounds like a bad vacation!

Yes, You might say it was a total disaster!

— **Levi:** Ashley! It's quite a story! We went to the seaside, but we got stuck, in very bad traffic jams. And then the car broke down. But finally, we arrived at a nice, seaside town.

— **Ashley:** Oh no! Did you go shopping?

— **Levi:** On the second day, we went to a beautiful beach, but I got sunburnt. My skin is very red.

— **Ashley:** Oh my God! And what did you do?

— **Levi:** Yes! Absolutely! We went shopping, but more bad luck. A thief stole my wallet. I had to go to the police station, and report it missing.

— **Ashley:** What drama! So what was the weather like

— **Levi:** We ate at a local restaurant. Unfortunately, the staff were very rude. They don't seem to like people from the city. And the service was very slow. We got really bored.

— **Ashley:** Ouch! So did you have any other problems?
