

BRIGHT LIGHTS, BIGGER CITY

By CEE LO GREEN

1) Complete the blanks

I _____ for the weekend
But no-not anymore
Cause here _____ that familiar feeling
That Friday's famous for
Yeah, I _____ for some action
And it's out there somewhere
You can feel the electricity
All in the evening air
And it may just be more of the same
But sometimes you _____ where everyone knows your name
So, I guess I _____ and see
But I'm just gonna let something brand new happen to me

And it's alright
It's alright (x5)
Bright lights and the big city
It belongs to us tonight

Chorus

2) Complete with the opposites

Now Friday's _____ (warm)
But there's _____ (nothing) about Saturday _____ (day)
You can't say what you won't do
Cause you knew that you just might
I'm _____ (knackered) this evening
It was _____ (hated) at _____ (last) sight
_____ (that) Saturday
And every Saturday for the rest of my _____ (demise)
And everyone's standing in line
Yeah, looking _____ (awful) and looking for a _____
(unsubstantial) good time
So, I'll never have to wonder if
I'll have someone to _____ (keep) all of this with

Chorus

Yes, I need it
Everybody does
Cocktails and conversation
Music and making love
