COMPLETE THE CONVERSATIONS:

So, you're worried you might not have a lot of time to yourself on this vacation. Is that right?

Sounds like you're feeling a little anxious about being around much with his family

CONVERSATION 1.

A: ...and then, he said his mother had been planning the trip for months so, the whole gang is probably gonna be there

B:

A: Yeah! Exactly. They're all just so loud in your face. It's hard to find a moment to relax when they're all together

B:

A: Yes! I'm so glad you get it!

Sounds like there was a little confusion

So you're going with her, then?

Really? Now, how much do you want for it?

CONVERSATION 2.

A: So, get this. Daddy Yankee is coming to Mexico, and my cousin and I agreed to buy concert tickets

B:

A: That was my plan! But it turned out that a friend of her bought her a ticket too and I also bought her one because I thought we'd go together...

B:

A: Right. I'm trying to sell that extra ticket because my cousin's already decided to go with her other friend so...
