## The history of dinosaurs

**Listen**

Listen and write down three facts about dinosaurs.

---

---

---

---

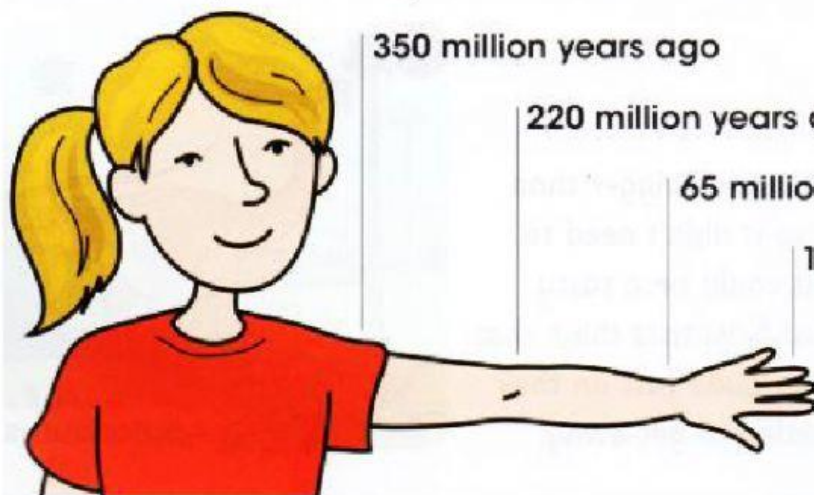

---

**Let's find out!**

Hold out your arm. Your arm will be a timeline. Listen and follow the instructions. What happened at each different time?

For how many millions of years did dinosaurs live on Earth?

350 million years ago

220 million years ago

65 million years ago

100 thousand years ago
