My Job

Complete the following text with te correct form of the verb in parentheses

I am Kate Smith. I_____(work) for a travel's agency. I_____(be) here for more than three years. This is a good job and the pay is excellent, but these days, I_____(feel) exhausted and tired. I_____(look) for another job because I_____(want) to quit my current job. The reason is that even though I_____(be) an excellent worker since I got hired here, my boss_____(not/recognize) that. I_____(tell) him many times that I want a promotion, but he_____(not/care). Last year, he promised to give me a promotion, but he didn't do it. It's unfair because I_____(give) my best day by day. That is not the only reason to quit my job. I_____(feel) that my boss_____(not/appreciate) the tasks that I do every day. He_____(always/complain) about the things I do. Also, he never_____(take) my ideas regarding the improvement of the company into account. He_____(prefer) listening to my coworkers than listening to me. Besides that, he always_____(ask) me to work extra hours, but he never_____(pay) me for that. That's why I_____(plan) on quitting my job because I cannot continue with this situation anymore.
