

## Man In The Mirror

Michael Jackson

I'm gonna make a change  
For once in my life  
It's gonna feel real good  
Gonna make a difference  
Gonna make it right

As I turn up the collar on  
My favorite winter coat

---

I see the kids in the streets  
With not enough to eat

---

Pretending not to see their needs

A summer \_\_\_\_\_  
A broken bottle top  
And a one man soul

---

ya' know  
'Cause they got nowhere to go  
That's why I want you to know

### CHORUS

I'm starting with the man in the mirror  
I'm asking him to change his ways  
And no message could have been any clearer:  
If you wanna make the world a better place

---

---

It's time that I realize  
That there are some with no home  
Not a nickel to loan  
Could it be really me  
Pretending that they're not alone?

A willow deeply  
Somebody's broken heart  
And a \_\_\_\_\_ dream  
They follow the pattern of the wind, ya' see  
'Cause they got no place to be  
That's why I'm starting with me

### CHORUS 3X

Who am I to be blind?

This wind is blowing my mind

I've been a victim of a selfish kind of love  
washed-out scarred disregard

Take a look at yourself and then make a change

They follow each other on the wind,

(You gotta get it right, while you got the time)  
( 'Cause when you close your heart)  
You can't close your, your mind!  
(Then you close your mind!)

No message could have been any clearer  
If you wanna make the world a better place  
Take a look at yourself and  
then make the change

I'm gonna make a change  
It's gonna feel real good

Come on! (Change)  
Just lift yourself, you know  
You've got to stop it, yourself!  
(Yeah! Make that change!)

I've got to make that change, today!  
(Man in the mirror)  
You got to, you got to not let yourself, brother  
(Yeah! - Make that change!)

You know, I've got to get  
That man, that man... (Man in the mirror)  
You've got to, you've got to move!

Come on! Come on! You got to...  
Stand up! Stand up! Stand up!  
(Yeah! - Make that change)  
Stand up and lift yourself, now!  
(Man in the mirror)

(Yeah! - Make that change!)  
Gonna make that change.  
Come on! (Man in the mirror)

You know it! You know it  
You know it! You know it  
(Change) Make that change
