

READING – INSPIRING LIVES

1.- Read the text and complete the sentences.

- Asha is a marine
- She is from

Asha de Vos is a famous marine biologist. She was born on the island of Sri Lanka in the Indian Ocean. Asha wanted to be a marine biologist from the age of 6. She went to university in Scotland because there weren't any marine biology courses in Sri Lanka. After university, she went to New Zealand and worked on different conservation projects. Today, Asha is an expert on the blue whale. In 2008, she set up the Sri Lankan Blue Whale Project. It studies and protects blue whales in the Indian Ocean. Asha often gives talks about ocean conservation. She is an inspiration to young Sri Lankans.
