

ROLLING IN THE DEEP

There's a _____ starting in my heart

CRYSTAL

Reaching a fever pitch, it's bringing me out the dark

Finally I can see you _____ clear

Go 'head and sell me out and I'll lay your ship bare

FIRE

See how I'll _____ with every piece of you

Don't underestimate the things that I will do

HEART

There's a fire starting in my _____

Reaching a fever pitch and it's bringing me out the dark

LEAVE

The scars of your love remind me of us

They keep me thinking that we almost had it all
