/ ? / dream / plans

2) Match the questions with the answers

Yes, having a nightmare makes me change my mind.

No, I always think I will win but I have never won.

Yes, once one told me I was going to live up to the age of 100.

I don't remember exactly. All the same, I would never take an important decision in that way.

Yes, I always do so when I see a wishing well.

Yes, of course! However, I haven't had bad luck for 7 years.
