Ariana Grande's new luxurious home

Pop princess Ariana Grande has recently bought a 13.7 million property in Los Angeles. Placed in the hills, the three-storey home has canyon-to-ocean views in every room from its balconies and an infinity pool. The beautiful property is located in the famous Bird Streets neighbourhood, an area in the hills where many celebrities live.

Ariana's new home is quite spacious, with four bedrooms, an office, and seven bathrooms spanning the more than 10,000 square foot home. There is also a wellness room, a 300-bottle wine cellar and a fitness studio. Hardwood floors and high ceilings add plenty of space and a modern element to the sophisticated, hillside home.

Ariana's favourite room, her bedroom, also has wooden floors and cream walls. The windows are large to brighten up the room. There's a big bed and a fireplace as well as a treadmill for workout. The TV is mounted on the wall in front of the bed and Ariana can take perfect selfies in a full-length mirror.

Ariana loves dogs and her house is full of cosy corners for them. From armchairs covered in plush throw blankets in the living room to dog beds spread across the house, the singer has created a luxurious home for her dogs as well.
