Name: _____

Subject: Social Studies:

Topic: A visit to Japan

Like The Bahamas, Japan is a nation made up of many islands. But the culture and way of life of the two nations are very different. Japan lies in the western part of the North Pacific Ocean, off the east coast of mainland Asia. Scenery in Japan is varied, with mountains, volcanoes and plains, all surrounded by the sea.

1. **Which ocean is located southeast of Japan?**

_____

2. **Japan is located closest to which continent?**

_____

3. **The Bahamas and Japan are similar in some ways, but different in others. Complete the chart to show how they differ in the categories provided.**
