

I let it fall, my _____
And as it fell, you rose to claim it
It was dark and I was over
Until you _____ my lips and you _____ me

My hands, they're _____
But my knees were far too weak
To stand in your arms
Without falling to your feet

But there's a side to _____
That I never knew, never knew
All the things you'd _____
They were never true, never true
And the games you _____
You would always win, always win

But I set fire to the rain
_____ it pour as I _____ your face
Well, it burned while I cried
'Cause I heard it screaming out your _____
Your name

When I lay with you
I could stay there
Close my eyes
Feel you here forever
You and me together, nothing gets better ...
