### A FAMILY TRIP

Revised from Extra Readers A3

Dear Anna,

My family is planning a trip this summer vacation, but my parents and I cannot agree on where to go. My parents want to go the beach, but I want to go up the mountain.

My parents said, "The beach is always warm. Look at these pictures. The sky is blue; the beach is white and clean. Besides, the food is delicious, and the people there are friendly. How nice it will be to swim in the beach and see some beautiful fish!"

I said, "The beach is boring. It will be too hot! We should go hike up the mountain. It will also be a good exercise."  
Will you help us decide? Where should my family and I go this summer?

Your friend,

Curry
