

DAILY ACTIVITIES

Read how Giorgio describes what he does before and after he goes to university each day. For each blank, choose the correct answer.

Every weekday morning, my alarm goes 1 _____ at 8:30am. This gives me enough time to get ready before my lectures start at 10:00am. Then, I 2 _____ up and go downstairs. I'm often too tired to eat breakfast, so I sometimes go to the 3 _____ and just get some juice. I always talk to my housemates if they are there, in the 4 _____. After that, I head back upstairs to get ready. I go to the bathroom, 5 _____ my teeth, and sometimes 6 _____ my room. When it's time to leave, I pack my bag and go to college. At the end of the day when I get back home, I sometimes help the others with the 7 _____ – if we don't do it, all the rooms we share get very messy. When the house is clean again, we usually spend some time in the living room. We sit down together on the 8 _____ and play games online for a while. We're always happy when we get the chance to do this, as it helps us relax. Before I go to sleep, I sit at my 9 _____ and do my homework. I never forget to do it. At the weekend, I can finally relax. I have a lie 10 _____ until about 11:30am.
