The Ponte Vecchio, or “Old Bridge,” is one of the most beautiful sights in Florence. It was constructed in 1345, and the roof was added in 1565. This was done to make it part of a walkway connecting the town hall with the ruling Medici family’s Pitti Palace. The walkway also passes through other famous buildings and offers __8__ views of the river.

In the shops on the Ponte Vecchio, visitors can purchase jewelry, art, and __9__. Several shops still make jewelry in the traditional way. Shoppers should expect high prices, but haggling is acceptable.

The Ponte Vecchio also __10__ couples who like to watch the magnificent sunsets there. Young lovers used to place heavy “love locks” here to represent their unbreakable love. __11__ many see this as a romantic gesture, the Florence City Council doesn’t appreciate it. The council said these locks ruined the bridge. Thousands of locks were removed in the mid-2000s, and there’s now a fine for __12__ locks to the bridge. However, visitors should keep a lock on their bags—the Ponte Vecchio is popular with pickpockets!
