Camila's daily routine

Camila is thirteen years old and she lives in London, England.

In the morning, she usually gets up at 6 o'clock, she has a shower, gets dressed and then she brushes her teeth. After that, she goes downstairs and has breakfast. For breakfast she usually has cereal, a yogurt and orange juice. Then she brushes her teeth again because she likes them white and healthy!

Then she grabs her school bag and goes to the bus stop to catch the school bus. Classes start at eight o'clock and finish at four o'clock. **In the afternoon**, she usually has lunch at the school dining room with her schoolmates at about 14:00 o'clock. Her best friend is Elizabeth and Camila always sits next to her at lunch.

After school she returns home and does her homework. She is a very hard-working pupil and she never misses a school task! After homework, she usually listens to music and watches television a bit.

At night, at half past eight, it is time for dinner. Then she usually reads a book or chats with her parents for a while.

Finally, she goes to bed at about ten o'clock, but before that she brushes her teeth. Sophie is a happy little girl!
