

The picture shows four _____. Two girls and two boys _____ and smiling in the _____. They're sitting on small stone benches around a stone _____. In the background I can see some trees, a road and grass so they must be in a park. The boys have got _____ so maybe they're students _____ on some kind of project. They seem to have a good time together as they're smiling.

1. Why are they sitting in the park?

They are sitting in the park because probably they are working on some _____, exchanging ideas and having _____ at the same time. I think so because they have laptops on the table and they are discussing something and laughing.

2. How do like spending your free time?

I like cycling and _____ films in my free time. I usually cycle three times a week and I watch films at the weekend. I meet also my _____ at the weekend so sometimes we watch movies together.

3. Tell me when you or your friend spent nice time with your friends.

Last year I went with my friend to the mountains. It was in winter. We were hiking, walking and _____. We had a lot of fun together. There was a lot of _____ so we could do all winter _____.
