Read and choose:

We ---------- a very good day at school yesterday. We ----------about how people in Jordan ---------- in the past.

We ---------- to a museum. I --------- it because I ---------- a lot. People ------- in tents in the desert. They didn't --------- houses.

They ----------goats' hair to make their tents. The women --------- clothes and they ---------- bread.

Now we go to the shop to buy our clothes and our bread. People in the past also had camels. The camels --------- things for the people. People ---------- on camels too.

In the second century, the Nabateans ---------- to Petra. They didn't -------- in tents they --------- in caves. They -------- buildings in the rocks. They ---------- very clever.
