On Monday is the girls' turn to clean the classroom. Mira and Sani start to wipe the table from the dust, change the dirty tablecloth and mop the muddy floor. Lulu and Farah organize the books on the shelf. Other students clean the window, whiteboard, and watering the flower outside. We do all this to keep our school clean and cozy for us to stay. We spend many hours at school so we have to take care of it carefully. It's our duty as a student.
