A Letter to a Penfriend

Dear Mr. and Mrs. Smith,

Hello, thank you for your hosting.

My name is Miyo Terris. I am going to stay with you for 6 months. Thank you for your hosting.

I was born on January sixth and I am nineteen years old now. I live in Japan. It is hot and humid in summer time but it is extremely cold in winter times. There are four people in my family; my father, my mother, my brother and me. I have two dogs and I love them. I like watching baseball games and I'm crazy about snorkelling. Do you like water sports? Let's go sailing next summer. What do you think?

I wish you a great final term at school. I studied and worked very hard. This summer makes me feel very excited.

See you soon.

Love,

Miyo

Hi. I'm Jo. I live near the sea and I love surfing. In summer, I go surfing with my friends every weekend. I've got a new surfboard. It's white and red. In autumn, I'm fond of kayaking on the sea. I've got a kayak, a paddle and a life jacket. My kayak and my surfboard are in a hut in my garden. I also often go horse-riding but I'm bored with it now. I want to do something new. My friends go rock climbing but I'm terrified of rock climbing. I love water sports and there's a river near my house. Maybe I can try rafting!
