past	relationship	stronger	instance	supports
help	less	discrimination	community	facilities

Question: Some people say that people help others in the community more now than they did in the past. Do you agree or disagree? Why?

Answer: I do believe the sense of (1) _____ is stronger among people these days than it was in the (2) _____. By saying so, I do not imply that people in the past were (3) _____ helpful, but the concept of community has grown (4) _____ and people meet others, discuss personal issues with community members more openly these days and as a result, the (5) _____ of people has become stronger.

Question: Which groups of people generally need the most support in a community? Why?

Answer: People who are economically less fortunate need more community services. Besides, elder people, women and children often need various (6) _____ from the community they live in.

I believe people with less per capita income often find their life challenging and cannot support important things in their life. For (7) _____, some people near my town cannot afford warm dresses during the winter and they need (8) _____ from other community members. Children and women are often subject to domestic violence or (9) _____ and they need to turn to the community for help. Elder people need companions, caregivers and some (10) _____ for them and they need support from the community as well.
