

Bonds of 5.

$$\begin{array}{l} 3 + \square = 5 \\ 0 + \square = \square \\ \square + 4 = \square \\ \square + 2 = \square \\ \square + 1 = \square \\ \square + 5 = \square \end{array}$$

Write a number sentence

|                 |                 |                 |
|-----------------|-----------------|-----------------|
|                 |                 |                 |
| $3 + \dots = 5$ | $2 + \dots = 5$ | $4 + \dots = 5$ |

Complete the combinations of 5.

|                        |                        |                        |                        |                        |
|------------------------|------------------------|------------------------|------------------------|------------------------|
| 5                      | 5                      | 5                      | 5                      | 5                      |
| 2 <input type="text"/> | 1 <input type="text"/> | 0 <input type="text"/> | 4 <input type="text"/> | 3 <input type="text"/> |
