

Pushing and Pulling

By Keith Pigdon

Read the passage below.

We move things by pushing them or by pulling them. Heavy things are hard to move. Sometimes when we want to move things we push them. When we push things, we move them away from us. Wheels make it easier to push heavy thing. Engines help to push big and heavy things. Sometimes when we want to move things we pull them. When we pull things, we move them towards us. Wheels made it easier to pull heavy things. A cart has wheels. The wheels make it easier to pull the cart. Engines help to pull big and heavy things. Trucks have engines and wheels.

Answer each question.
