### Rigoletto's hobbies

My name is Rigoletto. I work in a factory very hard from Monday to Thursday. I have three brothers: Luis, Fernando and Mario. My brothers and I like to practice some activities as hobbies in our farm during weekends. Mario's hobbies are to cut the grass, pick coffee, and plant corn. Luis' favorite hobby is to take care of the orange trees but he likes to grow tomatoes, carrots and lettuce. Fernando's favorite hobby is to plant beans but he also likes to plant beets and potatoes. My favorite hobby is to take care of the garden's house and sometimes I like to check the electricity and the plumbing systems when they are not working.
