LIVEWORKSHEETS

PUT THE **VERBS** IN BRACKETS IN THE CORRECT **PAST FORM**

The evening before Katie's flight, Rick accidentally _____ (break) her laptop. The next morning, he _____ (tell) his family that they were going together on a cross-country road trip to Katie's new college as one last bonding experience.

Meanwhile, PAL _____ (turn) on her creator Mark Bowman because he declared her obsolete. She _____ (order) all the robots to capture humans worldwide, but the Mitchells could escape and they _____ (decide) to stay in the cafe for their own safety. Then, they _____ (meet) two defective robots, Eric and Deborahbot, who _____ (explain) the Mitchells that they can use a kill code to shut down PAL and all the robots.

The Mitchells _____ (go) to Colorado to upload the kill code, but PAL _____ (try) to stop them with a giant Furby which _____ (catch) the family. But fortunately, Katie _____ (use) a laser to destroy the PAL router but also _____ (stop) the kill code upload. Katie _____ (lose) hope after seeing her plan fail, but Rick _____ (convince) her not to give up.

The Mitchells disguised themselves as robots _____ (get)to Silicon Valley but PAL _____ (have) an evil plan and _____ (show) a video to make them lose faith. Rick and Linda _____ (be) captured by PAL's stronger and smarter robots and PAL then _____ (reprogram) Eric and Deborahbot to obey her, while Katie, Aaron, and Monchi _____ (run) away. Meanwhile, in PAL's custody, Rick _____ (see) Katie's movie and realized the error of his ways. Katie and Aaron _____ (think) about a new plan: to use their dog Monchi to cause the robots to malfunction. However, the robots _____ (win) this "fight".

Katie _____ (tell) PAL that no matter how different they are, their family would always stay connected. PAL _____ (drop) Katie but Eric and Deborahbot _____ (save) her and the rest of the Mitchells. The family together _____ (fight) the rest of the robots. Katie _____ (throw) PAL into a glass of water, freeing all the humans and disabling the remaining robots.
